BEVERAGE TECHNOLOGY

- THE BRAUMANN BREWER -

Decades of design and engineering precision
form the heart of So Pure's To go Coffee Tower.

Unique to So Pure, our Braumann brewer combines and masters
Swiss precision, perfectly balanced proportion robust components, designed to define
the right pressure and temperature everytime no matter the footfall.

Unique robust brewer designed and built with capable of bearing the pressure of the
brewing process time after time, with energy saving technology at their core.

Crafted to one of the best global coffee brewers, which brings the aroma alive within
every cup our belief in the Braumann brewer and Braumann grinder is unlimited which
is why we include a dedicated warranty on the Braumann brewer
and Braumann grinder offering you that peace of mind.

FUNCTION & FORM - CREATES SPACE -

While powered inside by robust BRAUMANN Swiss brewing technology,
So Pure's To Go Coffee Tower delivers precision coffee craftsmanship
with every cup. Smudge-free touch controls and optional OOH digital
TFT screen add both elegance and media opportunity — enabling media,
promotions, and customer engagement. Compact at just 0.52sqm²,
it unites performance and design to create a true coffee shop
experience in any environment.
